

**MANAGERS AGREEMENT FOR
EXPECTATIONS AT TRAINING AND
MATCHES**

I confirm that I understand the expectations placed upon me from Dorchester Town Youth FC and the Dorset FA that as a team Manager I must abide by the following rules regarding the presence of officials at all training matches and any other official DTYFC occasions.

- I understand that there must be at least 2 managers/coaches present at both training and matches. I accept that this is a requirement under safeguarding and is there to not only protect the children, but to protect myself against potential allegations.
- I understand that the people supporting/assisting me must have completed a minimum of the **FA Safeguarding for Children** qualification and have undertaken a **Disclosure and Barring Service (DBS)** check to ensure their suitability to volunteer with the club/team.
- I understand that if any of these requests are not adhered to, then the Committee may remove my registration as manager, which could result in the team being withdrawn from the league.
- I also understand the obligations upon the DTYFC Committee to be able to assure parents that registered players are safeguarded through meeting the required staffing quotas during matches and training.
- I understand that if I do not have sufficient officials with the appropriate qualifications available to attend any training session or match, I will need to arrange for another team manager or coach with those requirements to be present at any training or match. If necessary, I will do this until such time as the either myself or the Committee can arrange for somebody to complete the required qualifications and support the team.
